What will you be selling?

Sign up, train and support your Merchants/Marketing Partners to use our easy platform to send messages.

For just a few minutes of work per deal, you will get paid monthly residuals for a lifetime.

SenText is committed to the success of our merchants.

SenText provides our Marketing Partners (MP's) with the following services:

- Our Support Department provides each merchant with end-to-end set up of their account, including training to help them successfully implement their marketing campaign. Once set up, the MP will receive continued support from our dedicated Client Relationship Representatives to ensure ongoing growth of their customer base and revenue.
- Our Design Department creates every MP's signage which invites their audience to join their list. All MP's are provided with hundreds of templates to choose from, so they can effectively promote the program within their place of business, on their website, social and anywhere they promote their business.

You will also have a Manager, Corporate Agent Support, and our robust Facebook Community for support.

Businesses Can Send Texts to Their Audience.

1. We help them create an exciting offer campaign to get people to join.
2. We design artwork for signage, social media and website pop-ups to promote their text club.
3. They launch their campaign and gather subscribers. Customers see it and opt in.
4. They can now send offers and alerts with links, pics, and more!

99% of texts are read.
They see them, respond and bring friends!

*Permission Based, TCPA Compliant & 100% Spam Free.

You may receive up to 4 messages per week. Message and data rates may apply when sending & receiving text messages. Messages sent from automated system.
